Dear Sir:

Applicants still yet again respectfully request acknowledgment of the Information Disclosure Statement ("IDS") filed on June 2, 2002 and resubmitted for consideration on both January 17, 2005 and September 17, 2005. Courtesy copies of the originally filed IDS, Form PTO-1449, and the return postcard (indicating receipt by the Patent and Trademark Office), as well both resubmissions are enclosed.

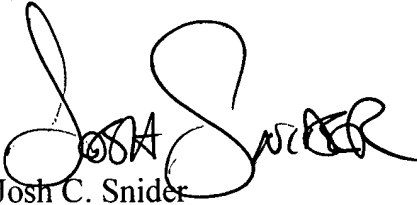

To date, no acknowledgement of the IDS has been given, and no reason has been given for this repeated refusal. Applicants again request such acknowledgment of consideration in the form of an initialed copy of the Information Disclosure Citation (Form PTO-1449).

Should there be any questions regarding this paper, the Examiner is invited to contact the undersigned attorney at the number listed below.

Respectfully submitted,

REMARKS

Applicants again respectfully request that the Examiner consider the above-listed references in the examination of this Application, and list these references of record in the Application as well. All of these references had previously been submitted in a timely manner, yet the Examiner has apparently refused to consider them without explanation. Enclosed is a copy of the Form PTO-1449, signed by the Examiner and dated July 23, 2002. Also enclosed is a copy of the return postcard, stamped by the Patent Office June 24, 2002, indicating that the previous Information Disclosure Statement, Form PTO-1449, and copies of all of the cited references were all received. These same references are again submitted for consideration, exactly as before. The only difference between the resubmitted Form PTO-1449 and the one previously submitted by Applicants is that the present Form more correctly indicates English language Abstracts of the references are provided (as they were also provided before).

Because all of these references were originally correctly and timely submitted, and because the Examiner has provided no explanation for his refusal to consider these submitted references, Applicants submit that no additional fees should be necessary to have these references considered new. The Patent Office is authorized, however, to charge any fees necessary to have this Paper entered to account 07-2069.

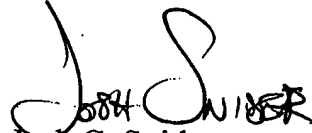

COPY

Applicants request that the Examiner acknowledge consideration of all of these references by returning an initialed form of the attached Form PTO-1449.

Respectfully submitted,

GREER, BURNS & CRAIN, LTD.
